

OTTOBAUTHENTIC

Let's Talk... we're looking for:

Regional Operations Manager

Johannesburg, Gauteng

Salary: R65k – R70kpm CTC

Role:

- Our client is looking for a Regional Ops Manager to enhance and maintain the overall performance and operational efficiencies. Emphasizing growth and expertise, the Regional Operations Manager will drive the implementation of strategies and innovative thinking to propel the organization forward. Crucially, the role necessitates active engagement with site partners and other team members, fostering a united approach towards sustainability, growth, and improved performance through operational excellence.

Qualifications & Skills

- 1 – 3 Year Diploma (NQF 6)
- Matric with certifications NQF 5
- 3 – 5 Years related experience (fuel retail industries)
- 3 Years Operational experience (Experience in running multiple stores)
- Managerial experience
- Proven track record in leading others

Responsibilities:

- Building and maintaining strong relationships with key stakeholders. This includes addressing stakeholder concerns, suppliers, negotiating and representing the company
- Ensuring efficient, smooth and effective functioning of operations within selected region. Optimizing processes, identifying bottlenecks, initiating cost saving initiatives and improving productivity and performance. Working towards achieving results whilst identifying opportunities for revenue growth and cost reduction.
- Promoting a culture of continuous improvement, implementing best practice and adherence to policies and procedures. Includes assisting with recruitment, training, providing guidance and support, fostering a positive work environment, promoting teamwork and collaboration.
- Performance Measurement and Reporting.

Benefits:

- Provident fund

Kindly note: If you have not heard from us within 7 working days, your application was unsuccessful.
